Objectives

Seeking an opportunity to gain hands-on experience by applying knowledge from computer science coursework while eager to work in a dynamic environment where I can enhance my problem-solving skills, collaborate on real-world projects, and contribute to innovative solutions.

Education Background

College	**ACLC College of Mandaue** Bachelor of Science in **Computer Science** (**BSCS**)
Senior High School	**Don Gerardo Ll. Ouano Memorial National Highschool** General Academic Strand **(GAS)**
Elementary	**Cesar M. Cabahug Elementary School**

Experience

Computer Science Intern

FemeNova Health Medical Health Services

July 2025 – August 2025

- Served as the **Project Manager**, leading a male-dominated team by providing a female-centered perspective that enhanced user empathy and aligned solutions with target users. Direct project planning and execution, strengthening collaboration and improving overall team performance to successfully deliver the founder's vision
- Contributed as a **Front-End Developer**, building responsive and user-friendly interfaces, and assisted in **UI/UX design**, helping translate user needs into intuitive system features.
- **Hosted** the system's soft launch to the community, effectively presenting key features and engaging stakeholders. The project's successful deployment led to the company being recognized as a **Finalist at the Visayas Startup Awards 2025**.
